# Optional Final Oral Exam (MÜNDLICHE PRÜFUNG)

Mündliche Prüfung is an optional exam for students who would like to have their knowledge tested at the end of the conference. The exam is open only to students. Preliminary written testing on Thursday determines who is qualified to take the final exam on Saturday. Results of the preliminary testing will be posted on the bulletin board in the outdoor dining area on Friday afternoon. If you pass the preliminary exam, then you will submit a list of classes you attended or will attend this week. On Saturday, a faculty jury will engage each of the preliminary passing examinees in a 10-minute question-and-answer session based on the readings and the lectures each has attended. At graduation, those who pass the oral exams will receive a graded certificate. Each faculty panel will select two students as the leading candidates from its examinations. These six finalists will then undergo a deeper examination by the entire faculty. The student selected by the faculty as the most learned of the conference will receive the Douglas E. French Prize of \$2,500. Second and third highest scorers receive the Grant Aldrich Prizes of \$1,000 and \$500 respectively.
