The Mises Institute exists to promote teaching and research in the Austrian school of economics, and individual freedom, honest history, and international peace in the tradition of Ludwig von Mises and Murray N. Rothbard. Founded in 1982 by Llewellyn H. Rockwell, Jr., with the blessing and aid of Margit von Mises, Murray N. Rothbard, Henry Hazlitt, and Ron Paul, the Institute seeks a free-market capitalist economy and a private-property order that rejects taxation, monetary debasement, and a coercive state monopoly of protective services. Non-political, non-partisan, and non-PC, the Institute works with students and scholars from many countries, and reaches out to business leaders, professionals, and everyone else interested in our mission. The Mises Institute is funded entirely by voluntary contributions. We do not accept government funding and never will.

Please become a Member of the Mises Institute today with your generous donation of \$60 or more at the registration desk, or text “Give” to 334-384-8584.
