Discounts of 10% or more for students and Mises Institute Members at our bookstore.

Special thanks to Bryan Lee Briggs for sponsoring this event.

The Mises Institute exists to promote teaching and research in the Austrian School of economics, individual freedom, and international peace. We advocate a radical shift in the intellectual climate, away from statism toward a private property order.

The Mises Institute is funded entirely by voluntary contributions.
We do not accept government funding and never will.
