OPTIONAL FINAL EXAM

Mündliche Prüfung is an optional exam for students who would like to have their knowledge tested at the end of the conference. The exam is open only to students. Preliminary written testing on Thursday determines who is qualified to take the final exam on Saturday. Questions are drawn from required readings and material presented in plenary sessions. Results of the preliminary testing will be posted on the monitor in Ward Library (first floor) by Friday morning. If you pass the preliminary exam, then you will email to felicia@mises.org by Friday at 4:00 p.m. a list of classes you attended or will attend this week (not including plenary sessions).

On Saturday, a faculty jury will engage each of the preliminary passing examinees in a 10-minute question-and-answer session based on the readings and the lectures each has attended. Each of the three faculty panels will select two students as the leading candidates from its examinations. The names of the final six will be posted on the monitor in Ward Library (first floor) immediately following the examinations. These six finalists will then undergo a deeper examination by the entire faculty. At the 3:30 p.m. closing graduation ceremony in Wolfe Hall, the third and second highest scorers will receive the Kenneth Garschina prize of \$1,500 second place and \$750 third place. The student selected by the faculty as the most learned of the conference will receive the Douglas E. French Prize of \$2,500. All who pass the oral exams will receive a graded certificate.
